

Phase 2: Understanding Actual-Condition

Situation: The data presented for the actual-condition is imprecise.

Coach: *What is the actual-condition now?*

Improver:

*A. The hit rate is at 20% BECAUSE he flight distance for the last 5 attempts was like this.
(show outdated data)*

*B. The hit rate is at 20% BECAUSE The flight distance for the last 5 attempts was like this.
(show averaged data)*

*C. The hit rate is at 20% BECAUSE the flight distance during the last 4 weeks was like this.
(show pie chart)*
